RULE I - DEFINITIONS

Section A. Horse Show Year

The horse show year shall begin December 1 and end November 30.

Section B. Medal Classes

The term "Medal Class," as used in these rules, denotes an equitation class in which the rider competes in order to qualify for a "Medal Final" at the end of the year. To qualify, a rider must accumulate a minimum of ten (10) points or complete at least three (3) classes in the division that they enter to ride in at Medal Finals as set forth in Rule IV, Section D.3.

RULE II - BENEFIT PROGRAMS

Section A. Scholarship Program

The OHJA may award scholarships up to three (3) applicants yearly. Applications must be made to the OHJA Secretary and be postmarked, emailed, and/or submitted via the OHJA website by the deadline as published on the OHJA website, constant contact emails and/or social media. The amount of the scholarship will be based on the funds available. Scholarships are to be used for continuing education. The Scholarship Committee will review the applications and they, along with the OHJA Board, will vote on applicants to determine finalists for consideration. All finalists will be interviewed. The OHJA Board and the Scholarship Committee will determine recipients of the award. Monies will be paid directly to the school of the recipient's choice. A recipient may only receive one (1) scholarship. There will be a limit of two (2) years in which to collect scholarship monies.

Section B. Junior Equestrian Fund (JEF)

JEF was established to give money to young riders, twenty-one (21) years of age and under, who compete at Medal Finals or in other Finals classes, including the Young Rider and USET. Riders will participate in fundraising activities to add money to this fund. For consideration of monies to be awarded, the applying young rider must have actively participated in the fundraising activities that current year and must make a formal application to the OHJA Board.

Section C. Local System Medal Finals Program

The Local System Medal Finals Program was established to provide financial assistance to Local System members, both juniors and amateurs, who compete in the OHJA Medal Finals. Riders will participate in fundraising activities to add money to this fund. For consideration of monies to be awarded, the applying rider must have actively volunteered and must make a formal application to the OHJA Board."

Section D. OHJA Educational Grant

The OHJA Educational Grant provides financial assistance to OHJA members pursuing horse-related educational opportunities, including but not limited to clinic auditing or participating, pursuing USEF certifications (course design, judging, etc.). Specifications for this grant are

under development and the rule book will be updated once approved by the board.

RULE III - GENERAL RULES FOR SHOWS

Section A. Show Eligibility for OHJA Point Accumulation

1. USEF, NSBA or Equine Canada-Rated Shows

Any and all horse shows that are USEF, NSBA or Equine Canada rated are approved for OHJA point accumulation as "Rated Shows¹." Horse show managers may offer classes that may not count towards year-end points.

Application and Fees

No application for Rated Show approval by OHJA is required. In lieu of payment a points-tracking fee, all Rated Shows approved for OHJA point accumulation must pay OHJA one-half (1/2) of all entry fees received from the OHJA medal classes. OHJA will supply ribbons and medals for OHJA medal classes.

Before permitting any rider to compete in an OHJA Medal class, show management must confirm the rider's membership status by (1) checking the current membership list, (2) requiring the rider to provide his/her current membership card, or (3) requiring the rider to provide proof of payment of the applicable OHJA membership fee.

2. USHJA Outreach Shows

Any and all non-USEF rated shows in Oregon or its contiguous counties that are approved by the USHJA Outreach program are eligible for OHJA point accumulation as "Outreach Shows." OHJA provides no regulatory function regarding the Outreach Shows, nor does OHJA sanction or license such shows. Therefore, OHJA will not hear grievances or become involved in the regulatory process of Outreach Shows. Compliance with OHJA host competition requirements and the USHJA Outreach program requirements is the responsibility of show management.

Application and Fees

For OHJA to track points and for OHJA members to accumulate points at an Outreach Show, show management must submit the following at least thirty (30) days in advance of the applicable show date: (1) an application; (2) a host competition agreement between OHJA and show management; and (3) payment of a point tracking fee ("Points Fee"). The Points Fee shall be \$25.00 per day per Outreach Show, which is subject to doubling if the application, agreement, and Points Fee are untimely. An additional \$25.00 per day per Outreach Show shall be due within two (2) weeks of conclusion of the show if the show results are not submitted in the manner provided herein. The Points Fee does not cover medals and ribbons for OHJA Medal classes.

Any multi-day Outreach Show may offer OHJA Medal classes in the same division on each day of the show (i.e., Mini Medal on both Saturday and Sunday). If the Outreach Show elects to offer OHJA Medal classes, the show must also pay OHJA \$50.00 or twenty-five percent

¹ This definition of a "Rated Show" applies throughout the OHJA Rule Book.

(25%) of all entry fees received from the OHJA Medal classes each day, whichever is greater (“Medal Fee”). OHJA will supply ribbons and medals for OHJA Medal classes. Payment of the Medal Fee is due within two (2) weeks of conclusion of the show.

Class Eligibility for OHJA Points

Horses and riders can accumulate points for OHJA Regional or Local System year-end division championships and Certificate of Merit awards only in classes named and conducted according to OHJA specifications.

Show Requirements

All Outreach Shows must provide or comply with the following conditions, requirements, and specifications:

1. Submit an application to, and sign a host competition agreement with, OHJA at least thirty (30) days prior to the show date(s)
2. Submit to OHJA proof that such show has been approved by the USHJA Outreach program
3. All shows must follow USHJA requirements
4. Insurance coverage that meets or exceeds the requirement established by the USHJA for USHJA Outreach competitions, naming OHJA as an additional insured on such policy(ies) and providing OHJA with proof thereof as provided herein.
5. Entry forms – for all Outreach shows, all entry forms must include the OHJA-approved waiver of liability and release language
6. Pay the Points Fee, and any fees and fines associated with the submission of show results as provided herein
7. If applicable and in addition to the Points Fee, pay the Medal Fee, which equals the greater of \$50.00 or twenty-five percent (25%) of the entry fees of all entry fees received from the OHJA Medal Classes. OHJA will supply ribbons and medals for OHJA Medal classes
8. Comply with the OHJA Code of Conduct
9. Have a copy of the current OHJA Rules available for reference
10. Make copies of the current OHJA membership application or maintain an internet connection so that OHJA members can join or renew online at the show
11. Forward show results to OHJA in the format and in a timely manner as provided herein
12. Courses are designed (a) consistent with USEF hunter, equitation, and/or jumper course designing guidelines and OHJA class specifications, and (b) by a professional trainer or an amateur rider at least 21 years of age under the supervision of the designated professional trainer. If the OHJA class specifications are more restrictive than the USEF course designing guidelines, then the OHJA class specifications take priority over USEF guidelines.

13. Safety equipment – breakaway cups or pins must be used on the back rail of all oxers

EMT or First Responder

Show management shall retain the services of one or more EMT(s) or First Responder(s), licensed or accredited by the applicable state and/or local authorities in which the Outreach Show is located, to provide emergency medical care at the Outreach Show. All EMT(s) or First Responder(s) shall: (a) carry or otherwise be covered by a professional liability insurance policy as required by applicable state law, with proof thereof provided by show management to OHJA at least two (2) weeks prior to the Outreach Show; (b) be designated by first and last name as the EMT(s) or First Responder(s) on the Outreach Show's application; and (c) remain on the show premises, and in proximity to the competition arenas and/or schooling areas at all times throughout the Outreach Show, including any school session(s) open to exhibitors on the day(s) of the show. Any change to the EMT(s) or First Responder(s) designated on the Outreach Show's application must be reported to OHJA as soon as practicable, along with proof of insurance coverage.

Proof of Liability Insurance

Show management shall (1) maintain liability insurance coverage that meets or exceeds the minimum requirements established by USHJA for USHJA Outreach competitions, (2) name OHJA as an additional insured with respect to any and all such policies, and (3) provide OHJA with proof thereof at least two (2) weeks prior to the applicable show. Proof of emergency medical personnel's professional liability insurance shall also be provided as required herein.

If proof of insurance is not provided as required, the host competition shall pay to OHJA a one hundred seventy-five dollar (\$175.00) fine for exhibitors to remain eligible to receive OHJA points toward year-end awards based upon their results at the applicable show. Until such fine is paid, show management shall be in breach of the host competition agreement, no OHJA member may accumulate points at the applicable Outreach Show(s), and no OHJA member may accumulate points at any future Outreach Show to which the applicable host competition agreement applies. OHJA will not track points from any show for OHJA year-end awards unless and until all fees and fines are paid. Show management is solely responsible for notifying all Regional and Local System exhibitors at the affected Outreach Shows that they will not accumulate OHJA points at such shows.

Submitting Show Results

Within two (2) weeks after an Outreach Show, show management must submit to OHJA the following: (1) show results submitted directly to OHJA via the OHJA website's data entry portal or in the electronic format provided by OHJA to show management (i.e., Excel document); (2) all OHJA membership applications, horse registrations, and fees received at the show; (3) for combined age group classes, the correct age group of the riders; and (4) a copy of the show's prize list. If results are not submitted electronically via the OHJA website or in the required Excel format, then the Points Fee shall increase to \$50.00 per day per Outreach Show, with the balance due paid at the time the results are submitted to OHJA. Further, if results are not submitted and/or the Medal Fee is not paid in a timely manner, then an additional two-hundred fifty-dollar (\$250.00) fine is due. OHJA will not track points

from any show for OHJA year-end awards unless and until all fees and fines are paid.

Limit on Number of Outreach Shows

Unless additional shows are approved for point tracking by the OHJA board, show management is limited to conducting four (4) Outreach Shows at the same location per competition year offering hunter/hunt seat equitation classes, and four (4) Outreach Shows at the same location per competition year offering jumper classes; if both hunter/hunt seat equitation and jumper classes are offered at the same show, that show counts as one show for each discipline. The OHJA Board has the discretion to approve point tracking for additional shows even if another OHJA Outreach show is already scheduled for the applicable date; any additional show applications must be approved 30 or more days prior to the show.

Rule Book and Membership Applications

During each Outreach Show, show management shall (1) have a copy of OHJA Rules available for reference, and (2) make OHJA membership applications available for exhibitors. Alternatively, show management shall provide internet access to the OHJA website for access to the OHJA Rules and for online membership applications and horse registrations.

Horse Welfare

All USEF/USHJA horse welfare guidelines apply at OHJA outreach shows. OHJA will not tolerate any form of abuse toward a horse or pony (hereafter referred to as horse) by an exhibitor, trainer, owner, groom or anyone else. Abuse means an action or omission which is likely to cause pain or unnecessary discomfort to a horse, including, but not limited to:

- * Excessive use of whip (including hitting a horse with a whip more than two times for any one incident)
- * Excessive or persistent use of spurs or improper use of bits to cause pain to a horse
- * Use of illegal equipment
- * Excessive riding, training, lunging or showing
- * Jabbing the horse in the mouth with the bit or any other device
- * Riding or competing an exhausted, lame or injured horse
- * "Rapping" a horse or striking a horse with an object
- * Abnormally sensitizing or desensitizing a horse
- * Leaving a horse without adequate food, drink or exercise
- * Using any device or equipment which causes excessive pain to a horse/pony

If abuse is observed by anyone on the horse show grounds, it should be reported to an OHJA Board Member or horse show official (including judge, manager, starter or announcer, office staff). Any of these people may issue a warning to the participant that their behavior is in violation of OHJA rules. A judge may eliminate any rider from a class who violates the principles of horse welfare during competition and it will result in an automatic warning. If the warned participant refuses to immediately correct their behavior, or if the violation is severe, the violator is subject to immediate expulsion from the show. Any two people who are either a Board Member and/or a horse show official must agree that expulsion is appropriate. Any follow-up actions or punishment for either a

warning or an expulsion shall be decided at the next Board meeting and shall be commensurate with the severity of the violation based on the USEF/USHJA horse welfare guidelines. Punishments may include, but are not limited to, a written warning to the rider, trainer and horse owner, loss of points from that show and suspension from point accumulation at future OHJA shows for a given period of time. A second violation within a year will automatically result in a minimum suspension of OHJA point accumulation of one horse show.

Section B. Stakes Classes

See USEF rule book. All stakes classes in Outreach Shows must have a minimum purse of thirty dollars (\$30.00). All add-back money must be in addition to the purse for hunter classes.

Section C. Point Accumulation

1. Open System

Open System horses and riders may compete in any Rated and Outreach horse shows. However, Open System horses and riders may accumulate points only at Rated Shows.

Out of state horses and riders must accumulate points in three (3) or more Oregon shows to be eligible for the OHJA year-end awards. An out of state horse is one that is owned or leased by an OHJA member who is neither an Oregon resident nor a resident of a county contiguous to Oregon. An out of state rider is neither an Oregon resident nor a resident of a county contiguous to Oregon.

The horse, legal owner (or lessee), and rider must all be members of OHJA at the time the horse is shown to accumulate points. Members submitting registration at the horse show are deemed to have registered effective the first day of classes for that show.

Points in the hunter, hunt seat equitation, and jumper divisions are calculated according to the USEF increment system, excluding bonus points, as set forth in USEF GR1132.5 (hunters & equitation) and GR 1134 (jumpers). Classics count based on the current Zone increment system and any classes, championships, or special competition run as an overlay to a classic will not disqualify that classic from counting for points. No points will be earned in any other special classes (e.g., derbies) or classes restricting entries (e.g., Zone Qualifying classes, USEF Zone or Regional individual or team championships, USHJA Affiliate Championships, Hunter Championship classes, or any class in which a nomination and/or application is required). Generally, points for 1st through 8th place are accumulated based upon the number of exhibitors competing according to the USEF Hunter Increment System as follows:

<u>Exhibitors</u>	<u>3-8</u>	<u>9-15</u>	<u>16-25</u>	<u>26+</u>
<u>1st</u>	<u>15</u>	<u>20</u>	<u>25</u>	<u>30</u>
<u>2nd</u>	<u>10</u>	<u>15</u>	<u>20</u>	<u>25</u>
<u>3rd</u>	<u>8</u>	<u>12</u>	<u>16</u>	<u>20</u>

<u>4th</u>	<u>6</u>	<u>9</u>	<u>12</u>	<u>15</u>
<u>5th</u>	<u>5</u>	<u>8</u>	<u>11</u>	<u>14</u>
<u>6th</u>	<u>4</u>	<u>7</u>	<u>10</u>	<u>13</u>
<u>7th</u>	<u>3</u>	<u>6</u>	<u>9</u>	<u>12</u>
<u>8th</u>	<u>2</u>	<u>5</u>	<u>8</u>	<u>11</u>

2. Regional System

Regional System horses and riders may compete in any Rated and Outreach horse shows. However, Regional System horses and riders may accumulate points only at the following shows within Oregon and its contiguous counties: (1) the first three (3) Outreach Shows in which the horse and/or rider accumulates points; and (2) any and all Rated Shows. Regional System riders and horses may also accumulate points at their first three (3) Rated shows in which they compete in the non-contiguous counties of Washington (see Figure 1 below

FIGURE 1: Counties in light grey are the Washington counties which are ‘non-contiguous’ to Oregon.

Out of state horses and riders are not eligible for OHJA points in the Regional System. An out of state horse is one that is owned or leased by an OHJA member who is neither an Oregon resident nor a resident of a county contiguous to Oregon. An out of state rider is neither an Oregon resident nor a resident of a county contiguous to Oregon.

The horse, legal owner (or lessee), and rider must all be members of OHJA at the time the horse is shown to accumulate points. Members submitting registration at the horse show are deemed to have registered effective the first day of classes for that show.

Points for 1st through 8th in the hunter, hunt seat equitation, and jumper divisions are calculated according to the USEF increment system, excluding bonus points as set forth in USEF GR1132.5 (hunters & equitation) and GR1134 (jumpers). Classics count based on the

current Zone increment system and any classes, championships, or special competition run as an overlay to a classic will not disqualify that classic from counting for points. No points will be earned in any other special classes (e.g., derbies) or classes restricting entries (e.g., Zone Qualifying classes, USEF Zone or Regional individual or team championships, USHJA Affiliate Championships, Hunter Championship classes, or any class in which a nomination and/or application is required).

Generally, Regional System horses and riders will accumulate points as follows: (1) for 1st through 8th in all USEF-rated Hunter and Jumper Shows, using the current USEF Hunter Increment point system noted above; and (2) for 1st through 6th in all Outreach Shows, using the current USHJA Outreach point system below:

OUTREACH SHOWS

<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>4th</u>	<u>5th</u>	<u>6th</u>
<u>10 pts.</u>	<u>6 pts.</u>	<u>4 pts.</u>	<u>2 pts.</u>	<u>1 pt.</u>	<u>½ pt.</u>

3. Local System

Local System horses and riders may compete in any and all Rated and Outreach Shows. However, Local System horses and riders may accumulate points only in Oregon and its contiguous counties: (a) Outreach Shows, (b) Rated Shows that are USEF “Regional Hunter,” or “Jumper Rating 1” rated, and (c) up to three (3) Rated Shows and the show that hosts the OHJA Medal Finals, that are USEF “Premier Hunter,” “National Hunter,” or “Jumper 2 – 6 Rating” rated. Unless otherwise provided herein, only points from the first three (3) USEF “Premier Hunter, “National Hunter,” or “Jumper 2 – 6 Rating” Rated Shows in which the Local System member and/or horse accumulates points, as well as points from the show that hosts OHJA Medal Finals, will count toward year-end championship awards. USEF “Premier Hunter,” “National Hunter,” and “Jumper 2 – 6 Rating” Rated Shows in which the member and/or horse accumulates points only in USEF “Opportunity” classes over fences less than 2’ in height do not count toward such limit; however, points accumulated in classes over fences 2’ or higher will count toward such limit. Once the member and/or horse accumulates points in three (3) USEF “Premier Hunter” and/or “National Hunter” Rated Shows as provided herein, no additional points will accumulate unless and until the member and/or horse is upgraded to the Regional System and all applicable Regional System membership and horse registration fees are paid. If the member upgrades to the Regional System, credit will be given for Local System membership fees previously paid and all points previously accumulated will follow the member/horse to the Regional System and be recalculated under the Regional System increment rules.

The horse, legal owner (or lessee), and rider must all be members of OHJA at the time the horse is shown to accumulate points. Members submitting registration at the horse show are deemed to have registered effective the first day of classes for that show.

For points to count in any class, a minimum of three (3) exhibitors must compete in the class. Regardless of the number of exhibitors beyond three (3) in a class, Local System horses and riders will accumulate points as follows:

OUTREACH SHOWS

<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>4th</u>	<u>5th</u>	<u>6th</u>
<u>10 pts.</u>	<u>6 pts.</u>	<u>4 pts.</u>	<u>2 pts.</u>	<u>1 pt.</u>	<u>½ pt.</u>

4. Recording and Reporting of Points Accumulated

The Board will appoint a Points & Membership Chairperson to maintain a year-to-date accounting of points toward year-end division championships. The Points & Membership Chairperson shall be compensated at a rate determined by a vote of the Board.

Any discrepancies in point accumulations noted by a member shall be reported to the Points & Membership Chairperson, who will research and correct the reported discrepancy as appropriate. Point standings shall be posted on the OHJA website, and updated at least every two (2) months.

Exhibitors attending shows outside of Oregon and contiguous counties must contact show management to request show management provide the Points & Membership Chairperson with the official show results for uploading to OHJA’s database. Upon receipt of the official show results, the Points & Membership Chairperson will upload such results to OHJA’s database.

RULE IV - YEAR END DIVISION AWARDS

Section A. Board Discretion Regarding Year End Awards

Section E. Certificate of Merit Classes

OHJA will recognize rider achievements through the Certificate of Merit program. Members who earn at least twenty-five (25) points in Certificate of Merit classes will earn a Certificate of Merit, based on the following point system, to be presented at the Year-End Awards Banquet. Points are accumulated according to the Local System rules set forth above.

For points to count toward the Certificate of Merit, the classes or divisions must be (1) offered at an Outreach Show or (2) "Opportunity" classes run in accordance with USEF rules at a Rated Show. There will be a point system of Gold, Silver, and Bronze levels:

Gold = 75 and up

Silver = 50-74

Bronze = 25-49

Certificate of Merit Specifications

Points for non-professional riders from all classes under 24" will count toward the Certificate of Merit, including: (a) flat hunter and equitation classes; (b) trot a pole hunter and equitation classes; and (c) hunter, equitation, and jumper classes, including cross rails. Show management is strongly encouraged to promote safe riding through appropriate course design and class specifications including, but not limited to no oxers, no in-and-outs, and jumper classes should be optimum time or clear round format.
